

KENTUCKIANA KLIPPINGS

KENTUCKIANA GOLF COURSE SUPERINTENDENTS ASSOCIATION

2ND ANNUAL ASSISTANT'S MEETING Dec. 6th @ Louisville Country Club

William H. Maynard CGCS was elected to the GCSAA Board of Directors, Feb. 11, 2010 at the association's annual meeting in San Diego. He will serve a two year term.

Maynard has been the certified golf course superintendent at Milburn Golf and Country Club in Overland Park, Kan., since 1999. Prior to that, he was the golf course superintendent at Champion Hills Club in Henderson, N.C., and the Virginian Golf Club in Bristol, Va. He has served as a board member for both the Carolinas and Heart of America chapters, including service as President for the Heart of America GCSA. He has served on a GCSAA national committee every year since 1999. He is also a member of the Kansas Turfgrass Association.

A 25-year GCSAA member, Maynard first achieved certification in 1998. He is active in his community as a board member of the Friends of Santa Claus, and participates in Boy Scouts, coaching youth sports and various school volunteer activities.

A native of Nashville TN, Maynard earned a B.A. in Psychology from the University of Tennessee-Knoxville in 1986. He and his wife Darla have 3 children. Daughter Maygan age 24, and sons Will age 20, and Matthew age 17.

Bill Maynard, CGCS

KENTUCKIANA KLIPPINGS

PRESIDENTS MESSAGE: BOB ROGERS

I would like to take this opportunity to thank the membership of the Kentuckiana Superintendents Association for the honor in selecting me as your President for the next two years. The Association is faced with many challenges stemming from our back door step in that of the Golf Industry's economy. Many of the smaller clubs are fighting to stay afloat, while private clubs in especially the Louisville market are fighting for members from a very small pool of potential clients just to sustain operations. Most of us have faced budget cuts over the last few seasons but expectations remain the same. All of us are faced with the challenges of providing more for less. I know that continuing education and conference expenses are a line item in most budgets that have been reduced or in some cases eliminated in an effort to lower operations costs. This is where we as a board and association need to step up to the plate and offer the needed continuing education at a local level to provide our membership with the latest research and Industry developments that can ultimately save our clubs money. In addition to the education that this association will provide, networking with our peers often times will provide as much information as the educational portion of the monthly meetings. I cannot tell you how many ideas that I have used in my career of thirty plus years from that networking or by playing or visiting other superintendent's facilities during monthly meetings. Industry involvement and participation is a service that should be used to make our jobs easier.

I am very excited about working with Board of Directors in making this association a valuable asset to our members. We met for the first time in November and will be providing the schedule for the 2012 season on the website by January. I hope everyone has a good ending to their 2011 season and has a prosperous and agronomical great 2012 season.

Bob Rogers CGCS
