## HHC ANNOUNCES TREE IDENTIFICATION CLASSES!

**S**tay ahead of the crowd this year! Learn more about trees and how to identify many of the common trees found in Kentucky and Indiana.

**T**his tree identification class is taught by Andrea Hanlon, owner of Hanlon Horticultural Consultants, and a professional horticulturalist in the landscape industry for over 25 years.

**C**lasses are taught in an easy-to-understand, "hands-on" approach.

**E**ach class is held outdoors so actual live field specimens can be studied.

**S**tudents will learn key characteristics for 50-60 of the most common trees found in the landscape industry as well as cultural and maintenance tips.

**R**egister today to learn about new trees, cost-savings tips, and other information as well!
