

# KGCSA Scholarship and Research Fundraiser

The KGCSA is pleased to announce that the 10th annual Scholarship and Research Fundraiser golf tournament will be held on June 15, 2009 at Champions Pointe Golf Club with Golf Course Superintendent Scott Siekert as our host. Champions Pointe has graciously opened their golf course to the KGCSA so that we may maximize our fundraising efforts dedicated to supporting research and providing scholarships.

This year's event will focus on a club team concept. We are encouraging all Superintendents and Assistant Superintendents to showcase this event by assembling a team comprised of club officials. General Managers, Golf Professionals, Greens & Grounds Chairmen and other club members have an excellent opportunity to see our association at its best. Showcase this event by assembling a club team today. Trophies will be awarded to the top 3 club affiliated teams. If you do not meet these criteria, don't worry. We will also be awarding trophies to the top 2 teams that are not comprised of club officials.

The format of the tournament will be a scramble and the entry fee is **\$500 per team**. Mulligans are also available at **\$10 each or 6 for \$50**. In addition, we will have a putting contest prior to the event in which the winning contestant will receive a brand new putter for demonstrating their skills. Entry into this event is **\$10 per player**. We have made registration easier than ever this year by providing all options available at once. The registration sheet is set up *ala carte* where you can choose as much or as little as you want. You can even pre buy your half pot tickets before you arrive if you want. This format will allow individuals to pay one total amount for all entry fees to the tournament. In addition, we have included a tear away receipt at the bottom of the page so that you may have immediate records.

The day begins with **registration and lunch at 11:00am**. The **putting contest** will run from **11:00am to 12:30am** and the **tournament starts promptly at 1:00pm**. An outstanding tee prize package has been assembled for all participants and their guests. No one walks away empty handed.

We encourage everyone to come out and support a wonderful association that continues to demonstrate excellence in the field of golf course management. Whether you are a regular attendee or a first time participant, we are certain that you will enjoy this event. We have a wonderful golf course to play and a great day of activities planned. Make plans to attend today by filling out the registration form and mail it back to the address listed. It is important that all forms are returned by May 20<sup>th</sup> to ensure that your shirt size is correct. We look forward to seeing you there. If you have any questions about the tournament, please call John Ballard at 502-727-7935.

Sincerely,

John G. Ballard
