

# KGCSA Scholarship and Research Fundraiser

The KGCSA is pleased to announce the 10th annual Scholarship and Research Fundraiser golf tournament will be held on June 15, 2009 at Champions Pointe Golf Club with Golf Course Superintendent Scott Siekert as our host. Champions Pointe has graciously opened their golf course to the KGCSA so that we may maximize our fundraising efforts dedicated to supporting research and providing scholarships.

It is hard to imagine that we are now in our 10<sup>th</sup> year of raising money that directly impacts the quality of golf in our region. Your support is vital to the ongoing success of this tournament and we could not be more appreciative of your help. It is through a tremendous amount of time, effort and dollars that KGCSA is able to give back not only to its members, but to people within our industry. The focus of the fundraiser targets two specific goals. First, half of all proceeds will be deposited into an endowment fund, established 8 years ago. The endowment fund benefits our association directly. Scholarships, specific research and positioning KGCSA as the authority of golf course management in this region are only a few of the concepts established. Second, we want to give back to the two great states we comprise so that they can further the growth of turfgrass management. The KTC and the MRTF continue to receive support through this tournament and we look forward to assisting these great associations.

As a donor, we want you to realize what a tremendous value you receive from your contribution. We are confident your organization will benefit as much, if not more, from this tournament through increased visibility and name recognition. The following 4 levels of sponsorship and what they include are listed on the following page. We encourage you to take a hard look at these levels to determine what is best for you and your company. Once you have determined your level of stewardship, please fill out the registration form and return it to the address listed on the bottom of the page no later than April 30th. For your convenience, we have included a tear away receipt so that you may have immediate records. Thank you in advance for your consideration. Your sponsorship and donations will enable the KGCSA to continue this great tradition. If you have any questions or concerns, please feel free to contact John Ballard (502)727-7935.

Sincerely,

John G. Ballard
